## *The Student Lives*

Hammond High represents many faces and several personalities. This book turns the spotlight on these faces showing their differences as they live the part of a student. They may be relaxed, happy or annoyed in their many sided lives but all act as one in forming the student body of Hammond High School.

### *The Faces of Activity*

Football cheering sections,  
initiations, talks in the halls  
and monitor duty—all give the  
student a form of activity.

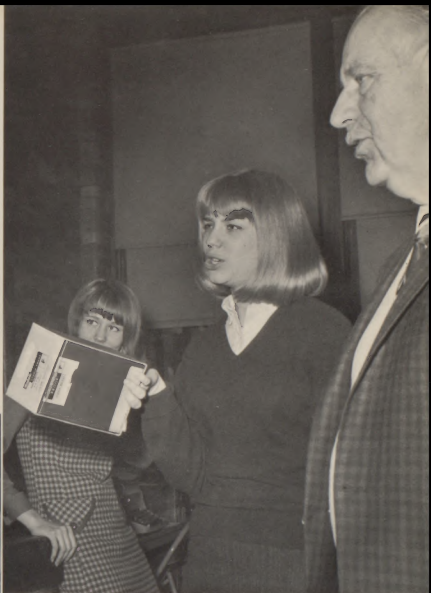

## *The Faces of Study and Fun*

After studying in the library, little disagreements, and being a finalist in the National Merit English contest, a student finds time for dress up dances and bringing the team in for a victory.

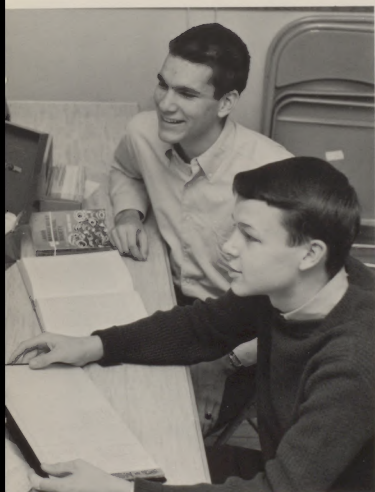

## *Faces with Meaning*

Expressions reveal many things about a person. A solemn face might be worn by a band member as the "Star Spangled Banner" is being played. Or a happy face sits in the cafeteria at lunch, on the bleachers at a game or in the speech room. Hammond High School contains many faces with many meanings.

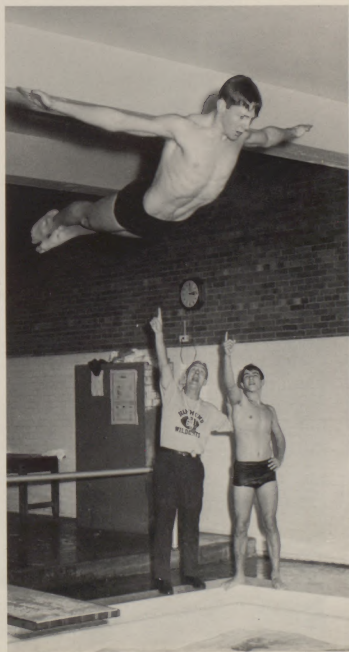

## *The Faces of Enjoyment and Creativity*

A Fun Fair offers enjoyment for those who like to perform, eat or play games, but a school room offers a place to create a theme, a beautiful dive or a batch of cookies.

*Top Kat members listen to their sponsors as to their next project for earning money.*

*Expanded Arts Club decides on their new officers.*

## *Clubs*

Hammond High Clubs add worthwhile activities to the student's life. A special learning comes whether a student is in French club playing Mille Bornes, Spanish Club listening to records, earning money in Top Cat club or studying the basic lines of movement in expanded arts. Clubs should be a part of every student's life.

*The Spanish Club observes many customs and habits.*

*The French Club gazes admiringly at the replica of the eiffel tower.*

## Clubs

*The Business Occupations Club learns the fundamentals of business practice even out of class.*

*Folk 15 sings a song during club period.*

Clubs strive to achieve a definite purpose for each student. They may offer ancient folk lore, business practices not learned in class, a little more about German or miniature modeling skills.

*Could that be Hitler hiding behind  
the cover of a German reader?*

*Members of the Miniature Modeling Club  
assemble replicas of sports cars.*

*H-Men go over the accounts with Mr. Papais.*

*Speech Arts members learn about diction.*

Hammond High clubs offer participation just as classes do. Speech Arts members do phonic exercises as H-men ponder on ways to earn money. Chess club members learn to play the game during club periods just as a future nurse listens to a speaker talk on the benefits of nursing.

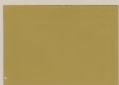

*The Future Nurses Club waits anxiously for another speaker.*

*The game of chess is mastered during club periods.*

"Education is far too important to  
be left to the Educators."

## *Academics*

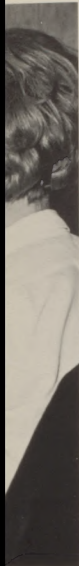

The search for knowledge with the long hours of preparation, constitutes an invariable phase of our curriculum. Courses change, teachers come and go, but the basic pattern of learning has endured through many periods of modernization. The student of Hammond High strives toward the education that has become such a necessary part of all our lives today. The addition of many new courses has been of invaluable assistance to students who want to widen their fields of knowledge. The basic pattern in our curriculum is present as it has always been, but it is the minor changes that give our school the growth necessary to an ever-changing, ever-expanding world.

Interest in academics is shown at a lunch table, in a showcase, a study hall and many classrooms.

## Art Art Projects

Holiday spirit at Hammond High School is given an added boost by the art students. The festive decorations that adorned the halls during the Christmas season were due to their craftsmanship. Students with a creative mind are especially at home among the paints, paper, and glitter of the art room.

*Christmas display in work room was put together by Miss Schubkegel (above photo) and her assistants.*

## *Business*

The business world is within the immediate future of some of Hammond graduates through extensive courses in typing, shorthand, book-keeping, office machines, and related courses such as business law and Business English. Hammond High students are prepared to occupy a useful and profitable spot in the realm of the business world.

*Mr. Schubert, Department Head, offers his experienced skill.*

*Speed and accuracy in typing will be a must to the secretary.*

*One of the lighter moments of a Comp. V. class with Miss Fisher.*

*Students Ponder*

## *English*

Strong emphasis is placed on English at Hammond High School: It is the one course necessary to succeed in almost any profession. Two objectives are apparent in the English department; effective communication and literary appreciation. Developing an effective means of communicating means learning to speak and write in a precise manner. An appreciation of fine literature and knowledge of how to recognize such literature are rewarding traits of anyone.

*Mr. Preston, Department Head, takes notes on students during classtime.*

## Language

Why does any school offer courses in foreign languages? The answer is that students who are inclined to be more tolerant of other nationalities and to recognize them as people much like themselves. Latin, Spanish, French, German, and Russian are offered for eager, knowledge-thirsty students. Not only the language, but also the dress, customs, and history of the country are delved into and examined.

*Class time couldn't be this discouraging.*

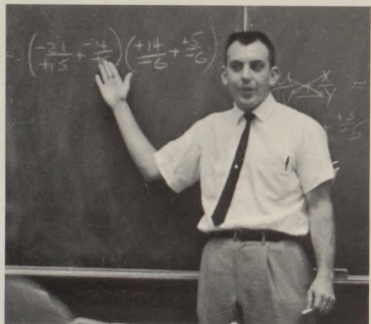

*Of much assistance to the Language Department is the Language Lab.*

## *Math*

Under the direction of Miss Thelma Abell, the Mathematics Department of Hammond High School carries on its goal of advancing students in their field which has become one of the most important studies for the future. Math has been called the language of science or sometimes defined as a science of numbers. It is an intricate, precise and challenging study which develops an orderly mind.

*Top: Miss Abell casts an approving glance toward one of her students.  
Left: Is it Indian signs of Algebra Mr. Bennett?  
Bottom: Math students show interest in solving problems.*

Under the direction of Mr. Jay Wood the Science Department offers many basic and advanced courses. The fundamental courses are biology, health, and safety, physics, and chemistry. For scientifically inclined students there are accelerated classes. The study of Science can hold answers to many problems.

*The study habits of the Science Department includes experimentation and taking notes in class.*

## Science

*Mr. Wood offers his assistance to a student in Physics class.*

*Above: Miss Johnson looks to her Government class for participation.  
Right: Mr. Carroll uses a map to help in class teaching.*

Under the direction of Miss Johnson the Social Studies department offers clues to the perplexing problems of today and tomorrow. Our economic, geographic, and social world is subjected to ringing debates, enlightening lectures, and animated discussions as teachers endeavor to illuminate the lamps of the past.

## *Social Studies*

*SENIORS do pay attention in their last year.*

## Home-Ec

The Home-Economics department is headed by Miss Georgie Thiel and Mrs. Martha Hugus. In clothing I, students learn the basic fundamentals of clothing construction and good grooming. In Clothing 2 and 3 these skills are applied in making suits and dresses for any occasion. Foods classes teach the basic arts of cooking and nutrition. There are also classes offering the study and functions of certain ingredients and experimental cooking. This year the Home-maker of the Year award went to Miss Connie Brazina.

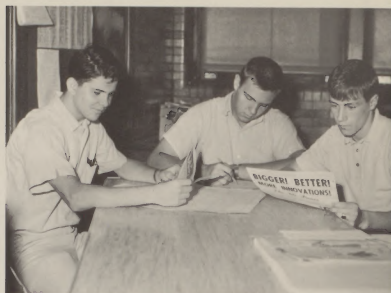

*Miss Thiel uses her experience to teach her students the proper procedure in sewing.*

*Students complete many projects in cooking class.*

*Judy Talty and Bonnie Bishop (sitting) confer with Mary Swanton about news for the HERALD and the Hammond Times*

Nancy Pruitt, Marcy Denmark, Dave Novakowski, Mary Swanton, and Jim Pratt look over the new issue of the HERALD.

There's no such thing as an unsurmountable obstacle in yearbook production. Special sessions after school in room 13, pages of 3 R's spread out on ping pong tables in Munster home rec rooms or stacks of pix, copy pages and portable typewriters on the dining room table at the advisor's home. Even the pet dog scratching a resting place in discarded piles of copy, couldn't stop the production of the 1966 Dunes.

## *Student Activities*

"Activities help a person to make his mind, body and soul stronger. They are as much a part of the student's life as are his studies."

## *Homecoming*

Perhaps the biggest activity of the Hammond High School year is Homecoming, which most of the student body attends. This year the traditional bonfire was cancelled, but the parade was glorious with the senior float taking first place. The crowning of the queen, Linda Sherry and her court: Jane Boyajian and Jane Dycus, Senior Princesses; Cindy Long, Junior Princess; Dawn Dorsey, Sophomore Princess; and Linda Rooney, Freshman Princess, was the stellar half-time event.

The Homecoming game this year was against Hammond High's rival, Tech. The cats tried their hardest and played what was said to be their best game, but couldn't break away for a victory. After the game everyone attended the Homecoming soc-hop which featured the Mystics; then went home to wait for next year when the Homecoming events would again take place; that is, all except the seniors who remembered this was their last Homecoming at Hammond High.

## Washington—New York Trip

This year's juniors and seniors had a chance to spend a week in Washington and New York City with other area students. In Washington the students visited such historical sites as the Washington Monument, Lincoln and Jefferson Memorials, Arlington Cemetery, Wax Museum, Smithsonian Institute, and Mt. Vernon. New York City was the next stop on the trip. Students viewed the awesome sights of the Statue of Liberty, the Empire State Building, and the United Nations' Building. A walking tour of Chinatown was also included. An evening on Broadway best describes Saturday night in New York. Students viewed the Rockettes at Radio City Music Hall and then were free to spend the night "on the town." Some stayed to see "The Great Race," while others caught a subway to Greenwich Village. A cruise around Manhattan Island the following morning officially marked the end of the tour.

*An inspiring sight—the Nation's capitol building.*

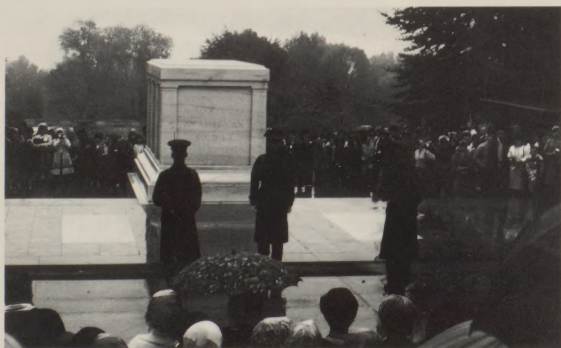

*The General Assembly of the United Nation's building which students visited.*

*Nancy Burt's guitar playing is getting through to some people.*

*The United Nations Building was included in the tour of New York City.*

*While standing in the rain, the students watch the changing of the guard at the Tomb of the Unknown Soldier.*

*The very pious and stern face of President Lincoln.*

*A shocked LoAnne Lockey. Has she just received the bill for her nightly room service?*

*Students chat in the diner of the train before retiring.*

*These students are happy—they have just passed their dear Alma Mater on their way back home?!?*

*One of the most beautiful sights seen on the trip was that of President Kennedy's grave and the eternal flame.*

*Students learned an important lesson from Michigan City prisoners.*

*The band adds enjoyment to many auditorium sessions.*

*Many of us have enjoyed the adventures of C. J. Albrecht, introduced here by Lance Springs.*

## Auditoriums

*Top: Santa Claus came to Hammond High's Christmas auditorium this year. Middle: A cheery Christmas carol was sung by the Girls' Chorus.*

During the school year, students anxiously await auditorium sessions to see many different faces that cross the stage. Entertaining programs are always given by the vocal department and the band. This year Folk 15 not only entertained, but also taught some history. Adventures are offered each year by C. J. Albrecht, with his movies of environment study, and this year an important lesson on the evils of crime was offered by prisoners from Michigan City.

*Members of Folk 15 Club listen as Rock and Roll is combined with folk music.*

*Couples enjoy dancing to the music of the Johnny Nolan orchestra at the 1966 Junior-Senior Prom.*

## *Prom*

*Luanna Luconi, Rich Euccee, Pam Lewis, and Jerry Gardner leave for the "Madi Gras" which was held in the Civic Center.*

*All enjoyed the many after prom parties held at the homes at various students.*

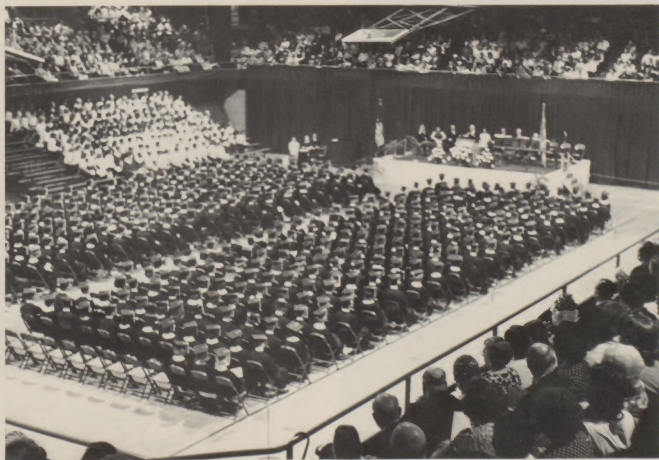

Two of the most important events in the senior year are the prom and graduation. The 1966 "Mardi Gras", held in the Civic Center, was followed by more fun and excitement at the after-prom party, morning breakfasts, and the Dunes.

Baccalaureate Service and Commencement Exercises in the Civic Center officially closed the year's activities and ended high school days for the Class of 1966.

*Luanna Luconi and Sue Terry persuade Rick Euccee and Tam Good to play a game of ping pong at one of the after prom parties.*

*Musicians play a selection in the Winter Concert.*

Members of the vocal and instrumental music departments participated in diversified musical activities this year. They entered contests, performed in the City Festival, and entertained at concerts and auditorium sessions. All helped make the past year more melodic and enjoyable.

## Senior Play

"The Perfect Idiot", a farce by Eunice and Grant Atkinson, was presented as the annual Senior Play on March 18 at 8:00 p.m. The story is about Dan Tennyson, much-dispised Boy-Genius of Center High, who "corrupts the whole school" in his attempt to become socially acceptable. A schoolwide crisis arises when the brawny but brainless football star, "puff" Witomski, is disqualified from all athletic events. Dan alone can save the team by tutoring Puff; but in return for this favor, Dan demands that the kids at school make him appear popular.

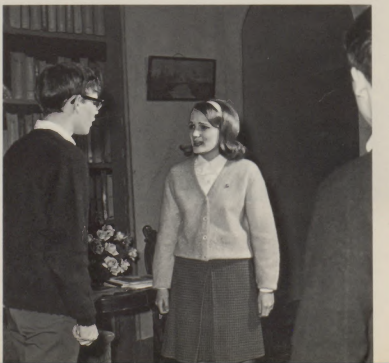

*Top: Dan (Mike Speelman) asks Linda (Ann Slattery) to wear his pin.*

*Middle: Mr. Tennyson (Casey Rader) demands to know of his son's (Allan Malo) misdoings and asks of the happenings.*

*Bottom: Fights come even after a girl has a boy's pin.*

*After Dan (Mike Speelman) has been given a sedative, Roger (Casey Rader) Margaret, (Jane Rodems) Mr. Bernard, (Craig LaFollette) and Dr. Von Barf (Rick Reich) look at his IQ test, which was a perfect zero.*

*Dan (Mike Speelman), demonstrates his ingenious invention by making Puff (Bill Farriss) recite his English lesson as Jackie (Allen Malo), Carla (Vicki Spudich), Linda (Ann Slattery) and Jeannie (Cathy Connor) watch with dis-belief.*

## *Athletics*

Athletics are a vital function for a well-rounded student. The body should be given as much care as the mind, for our bodies are our permanent possessions.

The following pages illustrate Hammond High students who have developed their bodies through athletics and furthered the Wildcat Spirit. Hammond High School offers almost every available athletics activity to its students. Through participation in swimming, tennis, golf, baseball, cross country, track, football, wrestling, basketball, and newly added gymnastics; students learn the meaning of athletic honesty, hard work, fair play, and satisfaction.

THE 1965 WILDCATS: George Leus, Nate Stegall, Nelson Rivera, Jim Noojin, Terry Gootee, Terry Fischer, Ralph Hardesty, Jim Demakos, Bill Dorjain, Greg Sargovez, Jerry Conant, Jay Duncan. 2nd Row: Bob Almy, Ed Rosenwinkle, Jim Heilman, Mike Sprovtsoff, Dewey Fairchild, Tim Voris, Rich Bass, Warren Hoemann, Larry Noojin, Pete Masich, Tom Petska, Jim Arges. 3rd Row: Ron Jefferson, Bill Schleizer, Rich Bessler, Bob Gilbert, Eugene Gillyard, Rich Jakush, Paul

After receiving state-wide acclaim for their performance in the Whiting Football O' Rama, the Wildcats trounced Hammond Gavit in the season opener, 28-6. The victory was a decisive one, but the Wildcats were forced to forfeit the game because an ineligible player was used in the final minutes. Although the infraction probably would have gone unnoticed, the results of not reporting such an error would have been disastrous for the Wildcats in all sports. Coach Krueger should be commended for his honesty in handling this touchy situation.

Hammond High, hosting a fine Whiting team, won this contest 12-6, but needed a goal-line stand in the final few minutes of play to preserve the victory. Next on the schedule for Hammond was the long awaited journey to East Chicago Roosevelt for a duel between two of the state's top teams. As expected, the game was a hard fought contest. After the smoke had cleared, however, The Wildcats had gone down to defeat 14-0.

The opponent for the Hammond High Homecoming was the Tigers of Hammond Tech. The Wildcats put out their best effort to date, but couldn't stop Tech, who won 14—6. The Wildcats met defeat at Valparaiso, but exploded to a 27—7 victory over the Clark Pioneers the following week. With the losing streak snapped, the Cats defeated East Chicago Washington 20—12 on a freezing evening in the Steel City. A large crowd was on hand to watch the Morton Governors, Indiana's top team, in action against our Cats. The half ended with our upset minded Wildcats on top 7—6. Morton could not be contained, however, and scored twice in the final period to beat our Cats 22—7. The Wildcats tripped Noll to end the season with a 5—4 record.

With three regulars returning from the 1965 Sectional Championship team, Rodney Ford, Terry Fischer, and Tim Michaw, the preseason outlook for this year's squad was that of happy anticipation. With a very demanding schedule in front of the Wildcats, a successful season would indeed be something of which to be proud.

The Wildcats opened the season against Indianapolis Washington, the defending State Champions. Despite a top flight performance, Hammond bowed 86—75.

Clark provided the Cats with their first win, Hammond winning 72—56.

Following the Clark game were three important clashes which would give an idea of the future for the Wildcats. Hammond nipped Lafayette Jeff 58—56, trounced Gary Tolleston 65—51, but finally ran out of steam, losing to highly touted Michigan City 81—72 after leading the Red Devils for three quarters.

Hammond High added another feather to its cap, defeating Morton 75—57, and Tech 79—62 to win the Hammond Holiday Tourney.

Following the Tourney, the Wildcats defeated Horace Mann of Gary 84—55, Gary Emerson 71—56, and respected East Chicago Roosevelt 74—62 before running into Val-paraiso.

*Rugged forward Tim Michaw (22) controls the boards against Noll.*

Following the Tourney, the Wildcats defeated Horace Mann of Gary 84—55, Gary Emerson 71—56, and respected East Chicago Roosevelt 74—62 before running into Valparaiso. Playing in ancient Boucher Gym, the Cats suffered the same fate as top rank Gary Froebel and East Chicago Washington, losing 60—58 to the host Vikings.

Returning to the Civic Center, Hammond High pounded Gary Wallace 82—61, then journeyed to Whiting where they gave the Oilers an 88—50 licking. Bishop Noll was next to fall under the ax, bowing 64—57 on their home court.

February 1 found the Wildcats host to the powerful East Chicago Washington Senators. The game, which drew the largest crowd in several years, was nip and tuck all the way. The buzzer found Hammond High desperately trying to get off a shot, trailing 61—59.

Following the Washington game, Hammond High pasted arch-rival Tech, 86—64. The Cats were then handed a stiff lesson in basketball in the form of a 86—73 beating at the hands of Gary Froebel, the nation's number six team.

The regular season ended on a cheerful and hopeful note, with LaPorte falling 73—54, Morton losing 71—68, and Chicago Carver bowing 74—56.

*Bill Lightrey jumps high against Hammond Tech as Eric Ford (25), looks on.*

## *Cats Win Sectional*

After a successful regular season, the Wildcats prepared to meet their first tournament foe, Hammond Clark. A 72—50 victory over the Pioneers advanced the Cats to the sectional semi-final against Whiting. The Oilers could not cope with Hammond's style of ball and bowed 64—54. This win put the Wildcats in the final game with Morton. Hammond High won its second consecutive sectional title with a 75—60 win over the Governors.

The first game of the East Chicago Regional saw Hammond defeating the Crown Point Bulldogs 67—53. Following this game, the Senators of East Chicago bumped off Gary Roosevelt to set the stage for the Regional final. The fieldhouse was jammed to capacity and television cameras were on hand for this clash. The Senators chose to play their best game of the year and whipped the Wildcats 71—52. Despite the disappointment, Hammond fans can look forward to next year when the entire tourney team will return.

*Terry Fischer jumps to stop a shot by Johnny Cousins (42) in the final game of the East Chicago Regional.*

In his initial season as cross-country coach, Mr. Bob Nicholson, showed everyone that he meant business. Despite losing three players for disciplinary reasons, Coach Nicholson ran up an impressive 11—4 record. This record was good enough for a fourth place in the Conference. With several lettermen returning next year, the future for the Wildcats squad looks very good.

Ron Newcomb and Ken Behling prepare to dive into the water as Bruce Nierman and a smiling Marty Reitz return.

*Row 1, left to right: George Danciak, Neal Kitchell, Kip Thornton, Brian Mangold.  
Row 2: Dick Levin, Bob Geisen, Brian Benko, Ron Reinstein, and Coach Dawson.*

Under the leadership of Coach Dawson, the 1965 Wildcat tennis team went undefeated to capture the NIHSC Conference Championship. The team included Kip Thornton, Neal Kitchell (both conference champs) and George Danciak in the singles division, with Brian Benko, Bob Geisen, Brian Mangold, Rich Levin, Ron Reinstein, and Rich Fandrie playing the doubles. The team compiled a 9-0 mark against tough conference competition.

The outlook for next year is good with the undefeated doubles team of Benko and Geisen returning. Also back for next year will be Levin and Kitchell. These boys will make up the nucleus of the squad with freshmen McHie and Kramer also figuring in the plans.

*Kip Thornton receives his trophy from Coach Dawson at Fall Sports Banquet.*

A new era in sports at Hammond High School was begun this year with the addition of gymnastics to the athletic department. Gymnastics stresses strength, flexibility, and balance in its seven events—tumbling, free exercise, sidehorse, parallel bars, horizontal bars, rings and trampoline. Although the sport is young at HHS, the gymnastic team already has competed against teams from other schools. Next year Coach Nicholson's gymnastic team will have a full schedule.

*Below is Bill Heath holding handstand on the parallel bars.*

*Frank Palfi is pictured holding a double elbow lever in free exercise.*

*Charles Burns demonstrates the scissors on a side horse.*

Members of the girls hockey team are, *Top row*, l-r, Gloria Slonaker, Lynn Christopherson, Lee Hoagland, Nancy Farmer, Nancy Brauer, Sue Terry. *Bottom row*, Merry Stover, Lorraine Turner, Candy Erwin, Marion Grandbois, Tina Chintis, Sheila Reeves.

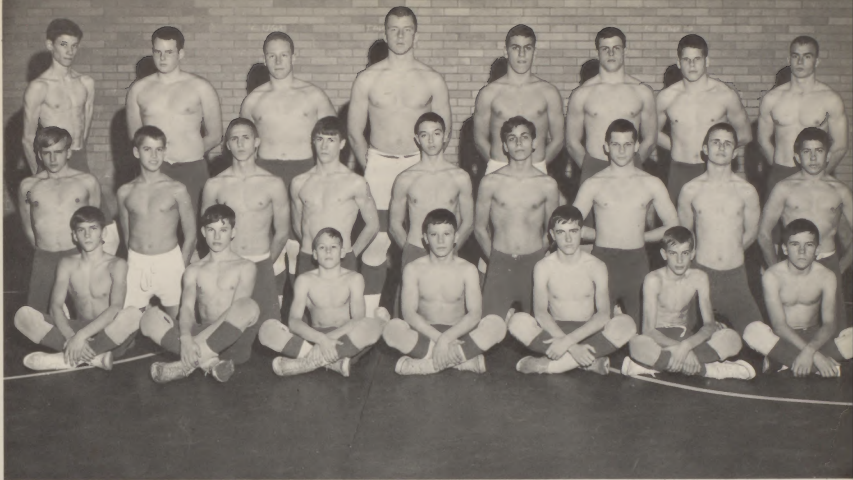

This year the girls' physical education department has been widely expanded. A girls' field hockey team coached by Miss Rita Grose and Miss Judy Patten was sponsored by GAA as an extramural activity. The advanced physical education class added bowling and modern dance to their list of many activities. A new life saving course was also added to the curriculum.

## Girls Take Part in Sports

Papp, Chuck Kremke, George Smith, 3rd Row, John Aranowski, Chuck Shakes, Ed Rosenwinkel, Jim Demokas, John Haley, Rick Eucce, Warren Hoemann, Charlie Storey.

## Wrestling

Though lacking in over-all ability, this year's Wrestling squad featured some great individual talent. The outlook for the Hammond sectionals would seem to be somewhat dim compared with the team record, but the Cats went out onto the mats determined to end any doubts about the ability of the team, both as individuals and as a whole.

The sectionals place boys against each other on the basis of over-all individual records for the season. Of a possible 12, the Cats had eight boys who placed into the afternoon matches. Though the Wildcats finished second to powerful Gavit, they made their best showing of the season.

## Batmen

Left to Right, *First Row*, Walter Kelly, Rodney Ford, Jim Petro, George Leus, Pete Masich, Dave Novakowski, Tom Petska. *Row Two*, Eric Ford, Bill Schleizer, Warren Hoemann, Joe Visnyak, Mike O'Brien, Phil Peacock, Bill Carroll, Jim Heilman. *Row Three*, Dan Mayer, Jay Duncan,

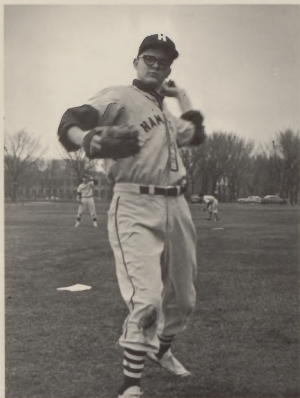

Steve Anderson, John Benoit, Jim Banker, Howard Petroski, Joe Huber, Mike Radbel. *Row Four*, Bill Swick, manager, Rick Broz, Bob Walker, Manager.

The Wildcat baseball squad looks very promising this year. With a nucleus of experienced players including George Leus, Pete Masich, Jim Petro, Tom Petska, Jay Duncan, Dave Novakowski, and Rodney Ford, the hard-ballers show potential in many areas.

## Supporters

Much of the school spirit at Hammond High School is inspired through the Cheerleaders, Pom-Pom Girls and Majorettes. The aim of these girls is to urge the crowds to join in the excitement of the sports activities. The cheerleaders lead yells all through the football and basketball seasons and decorated the halls with signs urging our teams to victory. Our majorette and our Pom Pom girls entertained at half-time during the football season and also took part in the Hammond Christmas parade.

*Nikki Peck, talented Majorette for Hammond High, performed at football games adding much to the half-time entertainment.*

POM-POM GIRLS: Left to Right: Linda Simmons, Suellyn Hetrick, Beth Creashaum, Debbie Swing, Debbie Wilkenson, Cindy Maksay, Terry Bartlett.

## *Scholars, Civic Leaders*

Carolyn Smith, valedictorian of the Class of 1966, was also the recipient of the D.A.R. Good Citizen Award. A National Merit finalist, she acted in the all-school play, went to Germany on the Indiana University Honors Program, and served as Secretary of Student Publicity and president of German Club.

Ranking second in the senior class, salutatorian Nikki Peck has participated in many extra-curricular activities in addition to receiving scholastic honors. Highlights of her senior year included being chairman of the Publicity Committee for the House of Representatives, performing as a majorette, and flying to Dallas for the Miss Teenage America contest.

Seniors Mary Gorman, Linda Simmons, and Connie Brazina were Hammond High's delegates to Hoosier Girls' State, held at Indiana University last summer. They met together with representatives from various Indiana high schools for one week to discuss and participate in the principles of American government.

SR. NATIONAL HONOR SOCIETY, (l-r), *Row 1:* Ann Slattery, Carolyn Smith, Mary Ann Petrick, Georgianna Marks, Candace Vergin, Donna Brauer, Janie Rodens, Connie Brazina, Sandy McCauley, Barbara Gottschall. *Row 2:* Mary Gorman, Joan Jackiewicz, Anne Robinson, Jane Ducus, Carol Muenich, Sharon Keagle, Margaret Dick, Linda Todd, Barb Szykowski, Elaine George, Sue Ginski. *Row 3:* Julia Caldwell, Mary Swanton, Martha Findling,

## *Jr. and Sr. National Honor Society*

The National Honor Societies set the standards for the scholastic achievements made by the students of Hammond High. Members are chosen not only by outstanding scholarship, but also by leadership and participation in school activities. The purpose of the Honor Society is to stimulate interest in scholarship and in service to the school and community.

## Discipline

Miss Georgia Andersen as Dean of Girls and Mr. Theodore Fruehling as Dean of Boys, go quietly but firmly about their daily tasks to keep the Good Ship H.H.S. at an even keel. Problems too numerous to mention come up throughout the busy days. Phone calls to and from the homes and the various offices of the school are all part of an endeavor to keep the individual in school as a worthwhile citizen in a well-organized society or community known as Hammond High School.

*Miss Andersen and Mr. Fruehling discuss discipline problems that confront both boys and girls.*

*One of the jobs of a discipline administrator is to see that the signs in the halls are proper.*

## Association Elections

NEW ASSOCIATION OFFICERS.  
Left to Right: Warren Hoemann, Vice-  
President; Jan Gescheidler, Recorder;  
Fred DeBoe, President.

Some of the candidates in the primaries were from Left to right: Suellen Hetrick, Luana Laconi, Terry O'Bryan, Cindy Maksay, Julie Rosenthal, Lynne Goldstein; 2-Row: Dan Dobrowski, John Seddelmeyer, Fred DeBoe, Nancy Burr.

G.A.A. OFFICERS, Left to Right; Diane Cofield, President; Cindy Erwin, Vice-President; Lyn Christopherson, Treasurer; Bonnie Wagner, Secretary.

FOLK 15 OFFICERS Left to Right; Sherry Wallenberg, President; Doyné Campbell, Vice-President; Ann Slattery, Secretary.

## G.A.A.

The Girls' Athletic Association was formed to stimulate participation in girls' athletics and to promote ideas of health and sportsmanship. Social activities, such as parties, playdays and sportsdays are offered for the enjoyment of the members.

## Folk 15

Club meetings of the Folk 15 Club are spent listening to, discussing, and singing folk music. Included in this year's activities was an enjoyable auditorium session featuring various types of folk song.

## Top Kat

The Top Kat club, established to promote student participation and interest in athletic events, has now grown to be the largest in the school. Some of the money earned from candy sales was used to sponsor buses to away games and buy flowers for the cheerleaders at tournament time. Members busied themselves painting posters and working in the concession stands at football games.

TOP KAT OFFICERS, left to right: Mike Sproutsoff, President; Joe Spraggins, Vice-President; Sandy Shaw, Secretary; Nancy Lundquist, Treasurer; Mr. Carroll and Mr. Bennett, Sponsors.

SPANISH CLUB OFFICERS: Left to Right; Kathy Winebrenner, President; Arvada Patten, Secretary; Krim Blackmon, Vice-President; Bob Baughard, Treasurer; and Mrs. Sersic, Sponsor.

The Spanish and French clubs have interesting projects and are among the top ranking clubs in our school. One of the Spanish club's activities this year included the adoption of a child and a bake sale. The French club publishes "La Ragout", plays Mille Borne during club periods and sang Christmas carols for Doctor Feuerbach in French during the

season. Many other activities include seeing pictures, listening to tapes or speakers, and developing interests not as easily cultivated in class. It is not only knowledge of the foreign language which you receive, but also the tolerance, acceptance, respect, and admiration for another country.

FRENCH CLUB OFFICERS: Left to Right; Jim Vrehas, Treasurer; Tom Doukas, Vice-President; Miss Kessing, Sponsor; Kiki Deavours, President; and Lynne Goldstein, Secretary.

*Mr. Laura Hall holds proudly the trophy that Rich Reich, Craig Lafollette, John Seddelmeyer, and Rich Wells won in a Debate.*

Members of the speech department took many honors this year. They participated in various contests and won numerous awards. Varsity debaters compiled a commendable record; Rich Reich and John Seddelmeyer became the first Hammond High debate team to qualify for the Nationals since 1959.

Mr. J. H. Wood and his 40 boys keep the visual aids room buzzing daily from the time they check their assignment sheets till they go wheeling down the halls with their projectors for showings in the various classrooms. Monotony is usually broken daily by teachers breaking in for many requests for tape recorders, record players, and transparencies. All in all this is a busy project straight through the lunch hours till after school.

*Mr. Jay Wood smiles proudly as his 40 boys await assignments.*

## German Club

Active members of the German club held two profitable bake sales this year. During meetings they saw slides and played Spiel, which is similar to bingo. A few of the members made the secret known that the club had Hitler stored in the foods room in a large glass jar. There was a banquet held at the end of the year to honor members.

J.C.L. OFFICERS, Left to Right; Chris Weiss, Secretary; Marcy Denmark, Vice-President; Vince Mogle, President; Shirley McAllister, Treasurer; Judy Austgen, Vice-President; Miss Work, Sponsor.

## J.C.L.

The Junior Classical League is a national organization whose purpose is to encourage among young people an interest and appreciation of the language, literature, and culture of ancient Greece and Rome. This year members saw movies, heard Miss Esten speak about the Roman Wall, and celebrated "Saturnalia" at Christmas time.

FUTURE NURSES CLUB OFFICERS, Left to Right; Selene Tesch, Vice-President; Bertha Nobel, President; Mrs. Mary Sutor, Sponsor; Carol Bruhn, Secretary; Virginia Storey, Treasurer.

To stimulate interest in nursing is the main objective of the Future Nurses Club. The club helps needy families at holiday time and visits places in the health field. During club periods movies, speakers and group discussions help the girls choose their career in the health professions.

Guest speaker, films, panel discussions, and reference material contribute to the guidance of students interested in teaching as a career. One of FTA's projects was to help needy families at Christmas and Easter. A project in which interested seniors spent four weeks observing and helping in classes of their choice within the Hammond school system promoted the student teaching plan.

FUTURE TEACHERS CLUB OFFICERS, Left to Right; Mr. James Soderquist, Sponsor; Darlene Callahan, President; Candace Vergin, Vice President; Linda Spoolstra, Treasurer; Sue Lawson, Secretary.

*Crescent City Jazz Club members enjoy listening to records during club periods.*

Crescent City Jazz Club was created to promote a greater understanding and appreciation for America's "foremost music." Club meetings are spent listening to records and discussing the various types of jazz.

Social Science Club, under the sponsorship of Mr. Victor Georgas, has no officers and meets on an informal basis. Members are given a chance for active participation since students take turns leading the discussions.

H-MEN OFFICERS, Left to Right: Paul Anderson, Treasurer; Greg Sargovetz, President; and Marty Reitz, Vice-President.

## *H-Men*

Acting as the executive branch of the H-Men's club, the H-Men's Council is comprised of representatives of the sports offered at Hammond High. H-Men's duties include ushering at basketball games, selling basketball programs, and aiding fellow H-Men to purchase lettermen's jackets and contact lenses.

Sci-Math Club sponsor Mr. Lawrence Lundgren, Secretary Bruce Young, and President Eli Cohen.

## *Sci-Math*

Sci-Math Club is open to any interested student who wishes to promote his understanding of science and mathematics. Members are encouraged to undertake individual project work and participate in planned field trips.

Chess Club sponsor Mr. Thomas Freney with Corey Pearson, vice president, Diane Hopkins, secretary, and Howard Petroski, president.

## *Chess Club*

The Chess Club is designed to increase school wide interest in the challenging game of chess. Members play each other according to ability and also participate in tournaments. The object of the games is to see which member can compile the greatest amount of points throughout the year.

## *Administration*

Dr. Feuerbach was a very busy man this past year, but he always found time to attend various meetings. In the pictures below he is seen at a meeting of the Hammond Central Lions Club and attending a tea for the North Central Evaluation Team.

Dr. Feuerbach leads a very busy life. This year he had many meetings with faculty personnel and also met with evaluators from the North Central Association. In February he traveled to Cleveland, Ohio, to speak at the convention of the National Association of Secondary School Principals. Outside of school he is active in the Woodmar Methodist Church and Hammond Central Lions Club, where he is third Vice-President in charge of club programs. At the games he can often be found in the locker room or on the bench, giving encouragement to both the coaches and the players. In spite of his hectic schedule, he still finds time to become acquainted with students whom he meets throughout the day.

## *Superintendent and Board*

Dr. Joseph L. Hendrick, Superintendent of the Hammond Public Schools up to March, 1966, has conducted affairs and responsibilities that have benefited the school system.

Dr. Joseph Hendrick—former Superintendent of Schools

The board of the Hammond Public Schools consists of five members elected on a bi-partisan basis. They are Charles N. Scott, Dr. Henry Eggers, Mr. Leo Bereolos, Mrs. Margaret Allen and Mrs. Claire Stern.

Mr. A. L. Spohn, Principal of Hammond High from 1919 to 1951

Many changes have taken place and many new faces have made their appearance in the dunes during the 1900's. There was Mr. A. L. Spohn, who gave way to Dr. Oliver L. Rapp in the Principal's Office. One fine April day a man from Allen County, Dr. Kenneth Feuerbach came into the office and said, "I'm the new principal here." Then there were new faces at the Board with the coming of Dr. Hendrick. Now this June we find another but familiar person, Dr. Rapp, who took over the Superintendent's duties when Dr. Hendrick left in March. Best wishes go to the new superintendent as he takes over the reins.

*(Left) Dr. Oliver L. Rapp, Acting Superintendent of Hammond Public Schools, discusses a project with Mr. M. H. Thorsen, Administrative Assistant, was former social studies teacher at Hammond High. Dr. Rapp was Principal from 1949 to 1962.*

*Dr. David Tronsgard, Assistant Superintendent in charge of Curriculum, discusses subjects with Mr. Ellis Hays, Intern Acting Director of Secondary Education.*

## *Custodians*

Keeping our halls clean and free from debris, cleaning and straightening classrooms, even cleaning the swimming pools and preparing them for use—these duties all fall to our custodians. Rain or shine, summer or winter, they keep our school a pleasant place in which to work and study.

**ADULT STAFF (l-r)**—Marion Dobrzynski, Barbara Fagen, Margret Kokinda, Vera Chapman, Naomi Allen, Virginia Laird, Isabel Adoba, and Cecelia Fabryanic.

*Mrs. Virginia Laird and Mrs. Marion Dobrzynski spend countless hours preparing tasty meals.*

## *Cafeteria Workers*

Hammond High's cooks work hard all morning to prepare a well-balanced meal for the student body. Mrs. Geneva Boyd, cafeteria supervisor, directs the adult workers and student helpers.

*Busy Hazel Lindstrom spends most of the morning hours checking attendance records.*

## Office Help

Duties of the office staff include checking attendance, answering the telephone, and compiling records. In addition, they issue college transcripts and complete eligibility lists. The processing of this clerical work contributes to the smooth operation of the school.

*Being a good typist is just one of Joan Pawenski's fine qualities.*

*Marcia Tsouchlos and Donna Glasford are vital members of the office staff.*

*Judy Rutz, Janice Neumaier, and Mary Script enjoy helping two prospective customers.*

## Bookstore

Various functions of the bookstore staff include handling school accounts, selling tickets to school activities, handing out test information, and selling books and school supplies to the students. Along with the administration of the bookroom, Mrs. Judy Rutz, under the supervision of Mr. Theodore Fruehling, also heads the switchboard.

## An open book can open doors

In our recruiting we ask that applicants have completed their High School education. That's because we try always to fill higher, more responsible jobs from the ranks of our employees. And the records show—the better the employee's education, the better he is at his job—and the better he does for himself.

Inland employees continue to gain knowledge and experience in special trades through formal apprenticeship programs offered in the following trades—Machinist,

Patternmaking, Boilermaking, Welding, Shop Electrician, Wireman, Mason and Pipefitter.

Many concentrate on certain phases of steelmaking by working in production while others work in laboratories helping to assure quality or developing new and better products for our customers.

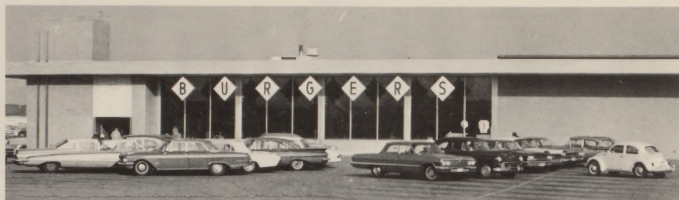

How about you? Inland Steel is steadily expanding. More and more opportunities will be open to you as our growth continues. Are you ready?

*From the Editor—*

The staff would like to thank the student body of Hammond High School for making the 1966 DUNES possible. This year our goal was to show you in action, even candidly at times, and without your help we could have done nothing. We hope you enjoy reading the book as much as we enjoyed working on it.

Mary Eaton  
Editor of the 1966 DUNES
